AMVC ACTIVITY DAYS 2017

Staff at AMVC appreciate the importance of rewarding continued good work. For many years the College has offered 3 Activity Days at the end of the Summer Term for all Year 7, 8 and 9 students. Students benefit from mixing with other Year Groups, taking part in a variety of activities, and of course having fun. This year's programme offers activities for everyone. Every trip has been carefully planned and all Risk Assessments have been carried out. I am sure you will find an activity that suits you.

Mr Sandeman

THE PROCESS

The College has run Activity Days at the end of the summer term for many years and the process is tried and tested. We aim to make the process as fair as possible and use a system that has been agreed by The AMVC Student Council. Therefore students must submit their choices on allocated days;

Year 9 on Friday 11 November 2016

Year 8 on Tuesday 15 November 2016

Year 7 on Thursday 17 November 2016

As students progress through lower school they will have the opportunity to access the more popular trips due to choosing before other Year Groups.

Some trips may already be oversubscribed by the time your child is in Year 8 or Year 7 has an opportunity to choose. Please talk this through with them so they are prepared and make sensible choices.

Please note that the initial **deposit is non-refundable** and must accompany their form on the set day. Deposits can be made by cash/cheque.

Once places have been agreed, trip organisers will advise of further instalments which can also be paid online via ParentPay.

Please retain this booklet as your record and return the completed **booking form and payment** with your child on his/her set day.
