I really enjoyed the whole evening. The food was excellent; I particularly enjoyed the belly pork and the mushrooms.

The service was great and unobtrusive. I thought the students did very well especially considering it was so hot.

We thoroughly enjoyed our evening, thanks to everyone's efforts. The food was delicious, well presented, hot and the service was excellent.

The students were well turned out, helpful and sociable.

The food was very well presented and super delicious.

The students who prepared the food did an excellent job. The 6th former serving the food was very polite. Service was exemplary (other than Simon being later with the additional sauce with the main)

My party and I thoroughly enjoyed the meal tonight - I feel it was one of the best I have been to.

The bread was lovely and light. The mushrooms were tasty and the sauce complimented it well. The port was succulent and tender and the parsnips enhanced the flavour and was topped off with the wonderful sauce.

The lemon tart was fresh and tangy and the sorbet was perfect with it.

Gemma Beales did an outstanding job and remained calm and professional at all times even though she was under a lot of pressure being one of the only ones serving.

A thoroughly enjoyable evening and such a shame there may not be anymore.

We both thought it was a wonderful experience to see our son cook for so many people, was so proud of him and was so glad he had this opportunity as he would like to be a chef when he leaves AMVC. Thank you.
