

# THE VOICE of Arthur Mellows Village College

Issue 62

February 2019

## Message from the Head of College

There are now approximately 12 weeks to go before this year's external examinations commence in earnest; this includes the February half term and Easter holidays.

Extensive support and revision sessions are underway to provide as much help and guidance as possible to students taking their GCSE and A Level examinations. Students should make the most of the opportunities available.

This edition of the newsletter outlines in particular the large range of lunchtime and after school booster sessions for Year 11 alone and additional Easter holiday sessions for some students are in the planning stages at the moment. Whilst there is a lot of work to do, the College is confident that outcomes will be good this Summer if students put in the work and take all the support that is offered to them. Should parents have any queries whatsoever about predicted grades or what you can do to help your son/daughter during this final push, please do not hesitate to contact relevant subject teachers.

On a lighter note, I am sure many parents will join with me to congratulate the cast and crew of Legally Blonde who gave an outstanding performance across three nights last week. It always amazes me how students juggle their studies with their extra curricular activities and this is just one example of sheer hard work paying off. Congratulations to you all on showcasing our wonderful Drama and Music departments.

**M Sandeman, Head of College**

## IN THE EVENT OF SEVERE WEATHER

Please check our website in the first instance where College closure information will be posted to our homepage, if possible by 7.35 am. [www.arthurmellows.org](http://www.arthurmellows.org)

Listen to one of the following radio stations:

- ♫ Heart FM
- ♫ BBC Radio Cambridgeshire
- ♫ Connect FM (formerly Lite FM)

The College will also communicate school closure via electronic mail.

**Please note:** Decisions on school transport and the buses are not made by the College. Please contact the provider directly if there are any queries.

### LATE BUSES

In addition to the late bus currently available on a Tuesday at 4.30pm, we now have an **extra** bus leaving at 4.30pm on a **Thursday** after school.

This service commences **Thursday 28 February 2019 until Thursday 16 May 2019**. This has been arranged so that students can attend one or more of the many After School Clubs or Revision Sessions available to them.

### Year 11

Can sign up for the late bus from morning registration.

### All other Year Groups

Can sign up for late bus at break time.

The late bus sign up forms are available at Student Reception.

## STRANGER DANGER

Now that the winter, and associated darker mornings and nights, is well underway, the College staff would like parental support in raising awareness of 'stranger danger' and general safety to and from school with our students.

Relevant messages will be reinforced in school, however, we ask parents to speak with your son/daughter of the importance of not speaking with or engaging with strangers and to report anything they feel is suspicious to both yourselves, the Police and the College at the first opportunity.

## WORLD WAR 1 ARMISTICE COMMEMORATION POETRY AND ART COMPETITION CELEBRATIONS 6 - 8 NOVEMBER 2018

Arthur Mellows Village College Library, along with the Cover Supervisor, Mr Auty held a Poetry and Art competition to commemorate 100 years since the end of World War 1.

This was open to all year groups across the school and there was an overwhelming number of entries, mostly from the newest members of the College, our keen and industrious Year 7s (special thank you to Miss Betts' and Miss Kruse's English classes and Miss Brown's Art classes).

All of the entries were displayed in the library alongside well known poems written by famous war poets. There were five top prize winners each receiving an Amazon voucher and a World War 1 book.

To celebrate the competition, the library held a World War 1 themed tea party during which students were treated to a Trench Cake, baked to the original 100 year old recipe. Originally, this cake was lovingly baked by the families of soldiers and sent to them through the post to eat in the trenches. Students also had delights such as potted meat pinwheels, jam tarts, oat cakes and lemon drizzle cake washed down with a proper cup of tea from a teapot!

Also during our celebration week, Mr Auty showed the Peter Jackson film, "They Shall Not Grow Old" to Year 9s and above. It gave our students a vivid insight into the horrors of war and sacrifices made by soldiers not much older than themselves. The students who took part thoroughly enjoyed the experience even asking if we could do this every year!

The winners of the competition who won WW1 themed books, sweets and a £10 Amazon vouchers were:

Madison Fletcher 7VCH  
Jack Jones 7JYO  
Rhea Mangat 7KAI  
Adam Lancaster 7GPA

And the winner of the Art prize was Henrietta Vigus-Humphrey 8RKU/AMC. All the other poetry entries who attended our tea party also received WW1 books and chocolate.

## CONNECT

### PASTORAL WELLBEING AT ARTHUR MELLOWS

Mental wellbeing is important for everyone. Being 'mentally well' does not just mean that you don't have a mental health issue, but that you are able to cope with everyday stresses, have enough resilience to deal with day-to-day problems and that you are living your best life and achieving your full potential. In short, in order to be mentally well you should be **thriving** in your everyday life, not simply **surviving** from one day to the next.

At Arthur Mellows Village College there are plenty of people to talk to if you or one of your friends are struggling with their mental wellbeing. The Pastoral Team (Mr Phillips, Mr Ware, Mrs Levy, Mrs Johnson, Mrs Gaduzo (Constable), Mrs Jones, Mrs Kamminga (School Counsellor) and the HYPA clinic nurses (Wednesday lunchtimes in IT3) are all readily available to talk to if you need some help.

We had an excellent first term; our mental wellbeing theme for that term was 'Give' and students took part in a challenge which encouraged them to do simple tasks and portray acts of kindness to their friends, families and teachers. No act of giving can ever be 'too small' when it is done to help someone out, or to make someone smile and we feel that many of the students now realise the positive impact such acts can have. Those students who had really gone that extra mile in giving to others last term have been recognised in assemblies and now hold the title of 'Student Wellbeing Ambassador' for the College.

Our theme for this term is 'Connect'. During this term we will be encouraging students to put their phones away, switch off the electronics and have a conversation; whether that be with their friends, family member or maybe another student they haven't spoken to before.

Feeling connected with others and being part of something can go a long way to making us feel good and can have a real positive impact on our mental wellbeing. Students will be encouraged to talk about how they are feeling, what interests them, what they like, what they dislike and to generally get to know each other that little bit better.

To help encourage this, we are continuing our 'technology free' lunches on Wednesdays in R2. Expect games, biscuits and lots of quality time to connect.

**Spend quality  
time with  
friends and  
make new ones**

**TALK & LISTEN,  
BE THERE,  
FEEL CONNECTED**

### MAIN RECEPTION AT ARTHUR MELLOWS VILLAGE COLLEGE

The College would just like to remind parent/carers that if a meeting is required with a member of staff, this should be arranged in advance of arriving at Main Reception. Please call (01733) 252235. Invariably staff are in classes with students or have existing commitments, therefore, they are unable to meet with parents without prior notification. If parents/carers do arrive at Main Reception without a pre-arranged appointment, details will be taken and Reception staff will pass the information on so that a telephone call can be returned later.

# LEGALLY BLONDE

Ordinarily, staff and students alike are excited for half term; a time to rest and refuel in readiness for the second part of the Spring Term. Not for the cast, band, crew, technical team and staff of *Legally Blonde* 2019 though! Instead, they are suffering with a terrible case of the post-show blues. Or should I say, post-show pinks?!

Since September, approximately 80 students and the Performing Arts Team have worked

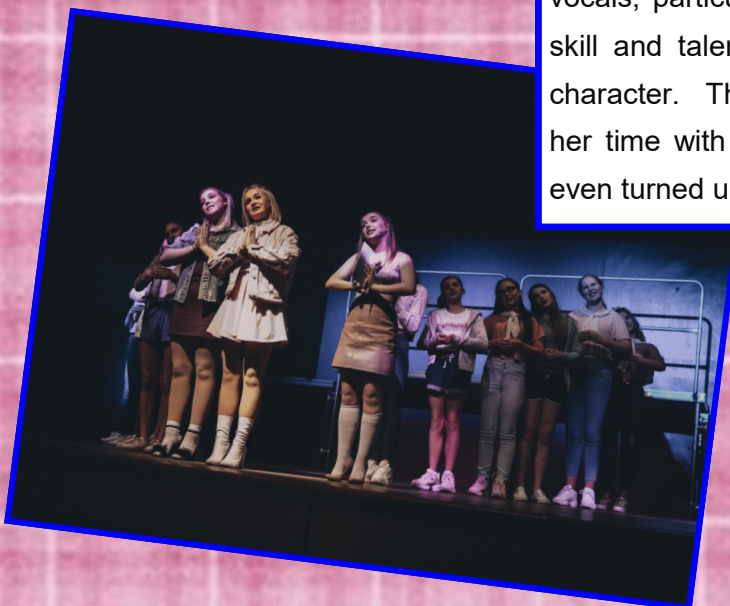

tirelessly on *Legally Blonde*, rehearsing at evenings and at weekends. This show was incredibly ambitious in terms of characters, dancing, singing and set, however the dedication and commitment of everyone involved meant that the show looked as though it had been mastered with ease! This was a genuine team effort involving members of staff from across the College and students in Leadership Roles to ensure that the show was a success.

Every student (from Years 7-13) performed with gravitas on stage, creating a range of brilliant characters, taking the audience to Elle Woods' world.

Ellie McHale played the lead, Elle Woods, and was endearing, compassionate, driven, sensitive and smart in her portrayal, which was only further supported by her *stunning* vocals, particularly with the song 'Legally Blonde'. She has the skill and talent to make our audiences every night LOVE this character. This young lady is studying A Levels, but managed her time with composure to ensure that nothing suffered. She even turned up to each rehearsal already off-book!

# LEGALLY BLONDE

All the principals played their roles with conviction: Emmett's awkward, funny, whilst sensitive nature was mastered wonderfully by Mason, Tariq's evil Professor Callahan successfully got a 'boo' from the audience every night, Kiera's sarcastic and cold Vivienne eventually showed warmth at the end with her beautiful monologue.

Sam managed to make us dislike Warner, whilst also finding him endearingly funny, particularly with his countless pouts at the audience; 'he makes more modelling anyhow'.

We had the hilarious Liliana in her role as Paulette, smashing the accent and mannerisms to create the FABULOUS character, which was only complemented with her comic timing and technically perfect singing. Her love interest, Kyle, was played by Jack McCulloch who managed to evoke laughter every night with his iconic walk and Irish dancing!

Maddison's portrayal of Brooke Whyndam was impressive showing the sassy and comical side of the character, her vocals were stunning, particularly in 'Whipped into Shape', and of course we must mention the fab shiny suit!

Next, our youngest principal actor, Chiara, who played the hilarious and feisty Enid Hoopes. Chiara's timing in 'Harvard Variations' was flawless, and her wig moment was laugh-out-loud!

No tragedy would be complete without a 'Greek Chorus' and the three girls (Millie, Mollie and Hannah) who took on these roles were phenomenal. These roles are complex, requiring tight unison and they barely ever left the stage. They managed to work as one in their choreography and acapella vocals, whilst creating three individual personalities. There were too many hilarious moments to count; their poor etiquette in court, their 'band and snaps', but most notably their attack and rap in 'Positive'!

Alongside this, I *cannot not* mention the entire cast - there are far too many of you to mention you all individually, albeit I would love to, who had to learn so many dances, songs, lines and create countless characters, all of which were so appropriate to the atmosphere on stage. All of your talent made the show our best ever yet!

A special mention this year must go to our student choreographer Shannon Maselli who did a fantastic job of the dance troupe!

Once again, thank you parents / carers, families and friends for your endless support.

'SNAPS' everyone!

Miss Clennett

## Arthur Mellows Parent Teachers Association to continue.....

After a long period of uncertainty, the Arthur Mellows Village College PTA will go on!

At the Special General meeting held on 15 January 2019 a new Chair was elected to take the helm. **Mr Nigel Lamb** immediately got down to business with the active support and guidance of the past Chair. The Committee now looks forward to continuing their fundraising efforts and focusing energies to support the College and enhance our students' experiences.

For the remainder of the year, the traditional fundraising events will continue with the ever-popular refreshment sales at school performances as well as uniform sales planned for parents' evenings. If you would like to help, you can get involved in a number of ways:

**Volunteering at events:** a roster of volunteers has been set up, so thanks to all who have committed so far. Don't be afraid to give a shout out to the Committee if you would like to provide a helping hand. You can call Terry on 07523 115386.

If there are any inspired bakers out there, **donations of baked goods** for events are always welcome. A big thank you to all who have provided some delicious creations in the past.

**School uniform donations** can be left at the main reception. Unfortunately, we can no longer accept green AMVC sweatshirts, but all other good condition items are forever in demand.

**Support through online shopping!** The Arthur Mellows Village College PTA is registered on the Easyfundraising website linked to over 3,300 retailers who pass a percentage of online spend on to Arthur Mellows at no additional cost to the shopper. So far over £70 has been raised. Simply register with <https://www.easyfundraising.org.uk>), select Arthur Mellows PTA as your cause, search for your retailer and start shopping! You can also download the free Easyfundraising app to your phone and tablet.

Membership of the PTA is open to parents, guardians, teachers, grandparents, friends of the College and support staff, who may join at any time. With more help and more ideas, the PTA is more than willing to grow their ambition and make a lasting impact on student life at AMVC.

If there are any exciting fundraising ideas out there, or potential sponsorship please do get in touch with Nigel on 07789 760158.

## ATTENDANCE

Here at Arthur Mellows Village College we take attendance and punctuality seriously.

In September we introduced Late Gate, the gates are locked daily at 8.45 am as all students should be on the College site by this time.

We have increased the punctuality of our students and thereby attending Form Group and assemblies where important information for the forthcoming day/week is given out.

Regular attendance at school is essential if students are to achieve their educational best, and increase their career and life options.

## GOLDEN TICKETS

As a reward for 100% attendance, students are awarded golden tickets. Each student can earn a maximum of 3 tickets per half term. Students can then exchange them if they wish or save them to be entered in a prize draw at the end of the school year.

In February we had the £25 Golden Ticket draw, 1235 tickets were entered and the lucky winner was Diego Diiorio, Year 10. Congratulations! Keep watching the TV screens in school for the next exchange opportunity.

## CURRENT WHOLE SCHOOL ATTENDANCE IS AT 95.5%

This is an average.

Let's make our school outstanding in attendance by making sure you attend on time, all the time.

**Mrs Woodroffe**  
Attendance Officer

## STUDENT ACHIEVEMENTS

### 2019 County Swimming Championships

Ella Gerrard (Year 7) is a competitive swimmer with Deeping Swimming Club and successfully qualified for the 2019 County Championships in both the 50 metres and 100 metres Freestyle. At the championship she performed extremely well reaching the finals in both events and finishing 5th in the 50 metres with a personal best time of 32 seconds and 6th in 100 meters achieving a personal best of 71 seconds. Ella currently is in the County squad which involves over 11 hours of training per week including 9 hours in the pool, 2 circuit training sessions as well as before and after school sessions.

### Football

Lia Cataldo, (Year 13) began her football career at Peterborough United before joining the Arsenal Ladies Academy, aged 9.

During her time playing at Arsenal she progressed successfully through the age groups playing in central midfield and earning herself International call ups for the England Ladies youth groups.

This included playing in the Women's Under 17s European Championships in 2018.

At the start of the 2018/19 season Lia signed a first team contract to play for Millwall Lionesses who play in the FA Women's Super League 2.

### Junior Touch Football Championships

Logan Noble (Year 9) has been selected for the England u15s training squad for the 2019 Junior Touch Football Championships.

This event will be held in Paris in August 2019.

### Student Achievements Page

If your son/daughter has achieved a individual or team goal outside of the College, please send in a short paragraph outlining their achievements; these do not necessarily need to be sport related.

Please also include a relevant photograph and provide your consent for the photograph to be published.

Please send your items to [office@arthurmellows.org](mailto:office@arthurmellows.org)

### Motorsport

Ellie Dickerson (Year 8) will be exhibiting her car and demonstrating her racing, with her motor racing formula (National Ministox) at the 'Motorsport with Attitude' show coming to Peterborough Showground on the weekend of 16 February 2019.

Ellie is one of few girls taking part in motorsport and this particular kind of racing. Ellie is the only student from this area (and the greater Peterborough area) taking part in this grade of racing.

Ellie's parents are very proud as she is taking part in what is still a very male dominated sport, she will be travelling throughout the UK and Europe. This shows that anyone with a 'can do' attitude, can achieve anything!

## SPORTS FIXTURES

### Success in Indoor Hockey Tournaments

#### U15 Indoor Hockey Tournament

The team below worked hard to secure a win in the U15 Hockey tournament for South Lincs Schools.

They beat Bourne Academy, Bourne Grammar, Spalding High School and Kings. A huge success! They dominated all the games with some great saves from Kaitlyn and strong defence from Elouise and Elizabeth. Shelley and Jess were very strong in mid and attacking play.

Well done!

#### Team

Kaitlyn Bloomfield in Goal, Jess Broadway, Shelley Broadway, Ellie Hodge, Larni Elder, Eloise Porter, Elizabeth Nunn.

#### U14 Hockey Tournament

Again, the same teams were at this tournament – Bourne Academy (host school), Bourne Grammar x2, Spalding High School and Kings.

This was the first time one of our players had represented the school in hockey – so a special mention to Evie Weatherbed and also Leanne Broadway who stepped in as a Year 7 and 8 player respectively.

Neither were out of their depth. Although we did not win, the team put up a strong fight in each game and only lost 2 games (narrowly) to Sir Harry Smith and Bourne Grammar. A great effort as this was the first time we had been invited to play Indoor Hockey in this League.

#### Team

Amy Greenwood in Goal, Elizabeth Nunn, Maddie Hobbs, Evie Weatherbed, Leanne Broadway, Eloise Porter.

## PRIMARY SCHOOL SPORTS FIXTURES AT AMVC

### Gym and Dance Display for Year 3

On 6 November 2018 over 400 primary students filled the Sports Hall across two sessions and participated in a festival of Dance and Gymnastics. Primary classes from Glington, Gunthorpe, Newborough, Northborough, John Clare, Wittering, William Law, Norwood, Werrington, Barnack, Duke of Bedford and Welbourne attended.

Every pupil took part in a class dance or gymnastic sequence which they had prepared during their curriculum time at school. It was a great opportunity for pupils to show their work and perform in front of an audience. Sports Leaders from AMVC were on hand to guide and support the pupils during the display.

Years 9, 10 and 11 dance students showed some of their set pieces and moves, which was a great inspiration to the youngsters. Liliana Nieddu and Ameila Glendinning along with our Sports Leaders led everyone in a mass warm up and cool down which was great fun, active and inclusive.

Particular praise must go to our enthusiastic and committed dance leaders who were a great inspiration and super role-models throughout the display:

**Year 9** – Elizabeth Nunn, Chiara Todisco, Morgan Jones, Millie Brenton, Amelia Bradberry, Morgan Jones, Elena Young.

**Year 10** – Ella Cartmel, Evie Moulds, Zoe Bateman, Eve Robinson, Jasmine Murray, Eve Wright, Holly Wright, Lara Honeybun, Maddison Moore.

**Year 11** - Liliana Nieddu, Ameila Glendinning

## PRIMARY SCHOOL SPORTS FIXTURES AT AMVC

### Indoor Athletics for Year 4

On 4 and 5 December 2018 Year 4 classes from our feeder Primary schools arrived, very excitedly, to take part in a Sportshall athletics event which saw them run, jump and throw their way through a very busy, active and fun couple of mornings.

Year 10 students from Arthur Mellows Village College helped to organise, motivate and encourage, leading all those who took part. This was their first 'real' leadership opportunity for those who have chosen to take part in the Level 1 Sports Leader Award. The students did very well and after a slow start, we picked up the pace and the event ran very smoothly.

#### **4 December results:**

1<sup>st</sup>: Norwood, 2<sup>nd</sup>: William Law Class 1, 3<sup>rd</sup>: William Law Class 2  
Other schools participating - Castor, William Law 3, Eye 1 and 2, Northborough, Newborough

#### **5 December results:**

1<sup>st</sup>: Barnack, 2<sup>nd</sup>: Wittering Class 1, 3<sup>rd</sup>: Wittering 2  
Other schools participating – Duke of Bedford, Gunthorpe, Welbourne, Peakirk cum Glington, Werrington 3.

### Quicksticks Hockey Tournament for Years 5 and 6

Fourteen teams from our Soke feeder Primary schools participated in the Primary Hockey Tournament at the end of October 2018. We ran two events:

Cup Competition: Winners – John Clare  
Runners up - Eye  
Plate competition: Winners - Wittering  
Runners up – Newborough

Sports leaders across the three levels were outstanding in their coaching and umpiring skills on the day. They taught new skills and umpired well, demonstrating confidence and knowledge. Special mention to all the Year 13 Leaders who have contributed to so many tournaments over the years.

Their professionalism and hockey expertise will be sorely missed in the future.

Thanks to Kiera Cooper, Katie Rowe, Natalie Ellen, Mia Purnell, Natalie Smith and Corinne Wilding.

### Table Tennis Festival for Year 5

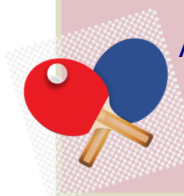

This Table-Tennis Festival was held over two days to enable 14 local feeder schools to attend. Each school brought a class of Year 5's to one of the six slots available. This event was for the whole class so all students could learn new skills and techniques.

Pupils were taught by leaders at Arthur Mellows Village College, some were Year 10 students studying for their Level 1 Leadership Award, others were in Year 12 working towards gaining their Level 2 Sports Leadership.

The students had planned and practised teaching new skills involving ball control and balance. They practised various shots, serves and finished with playing games across the variety of schools in attendance at each session.

All pupils received certificates and stickers for their achievements.

Next half term we look forward to welcoming Years 3 - 6 for our Cross Country events in March.
