

ARTHUR MELLOWS VILLAGE COLLEGE

How to claim a Free School Meal (FSM)

Choice

To encourage healthy eating, the College will be asking students in receipt of Free School Meals (FSM) to have a full square lunch, in preference to snacks or cakes.

Our catering provider, Cucina, has agreed that these students will be allowed to receive:

Main Meal and Dessert or Main Meal and Drink

(To receive your meal you can only go to the till once with your items above)

These options will not be limited by the cost and water is available at all times.

Payment

Students in receipt of Free School Meals (FSM) do not have to pay for their meal, however after they have made their choice, they need to go to the canteen till. The College will have credited their Cashless Catering account with an allowance for their meal against which a matching FSM deduction will be made in College. This will be recorded on ParentPay as a Free School Meal taken, although the entry will not detail the food items the student has selected.

The FSM allowance can only be accessed once each school day, at either break/lunch only.

If you wish your child to have snacks during the other break/lunch you need to provide them with funds.

Any queries, please contact the College.
