CAMBRIDGE TECHNICAL - IT

Examination Board

* OCR

Cambridge Technicals Level 3 in IT (Introductory Diploma)

Year 12 Course content

In Year 12 we complete a full coursework unit and start two further coursework units to continue in Year 13. These are project based in design with theory and a practical product to create for most of the coursework units. We also complete one of the exam units, which then allows students to re-take the exam in Year 13 if they wish to improve their grade.

The Year 12 units are:
* Unit 1:   Fundamentals of IT Exam
* Unit 21:   Web design prototyping
* Unit 6:   Application design – start in Year 12
* Unit 9:   Product development – start in Year 12

Year 13 Course content

In Year 13 we complete unit 6 and 9, and a further exam unit.

The Year 13 units are:

* Unit 6:   Application design – Started in Year 12
* Unit 9:   Product development – Started in Year 12
* Unit 2:   Global information Exam
