**Insurance:**

All students are insured as part of the overall cost of the trip. However, personal effects such as mobiles, smart watches etc are taken at students' own risk. Given the busy itinerary, we cannot guarantee that we will be able to find police stations to report any lost or stolen items, and most insurance claims in respect of theft of money/personal items the incident must be reported to the police within 24 hours. If the trip is cancelled due to uncontrollable circumstances, ie political unrest/weather etc, the refunding of costs will be subject to insurance cover and only repaid if the insurance company refunds money following an individual parent claim.

**Medical:**

If your child has any pre-existing serious medical conditions then we will require you to provide a doctor's note to confirm that they are fit to travel before they can be accepted on the trip, this is to ensure that the trip travel insurance is valid. We will also require you to provide a further updated doctor's letter closer to the trip (3 weeks before) to confirm that they are still able to travel.

**Passport And Global/European Health Insurance Card (GHIC/EHIC):**

(GHIC/EHIC is required for all European destinations)

All students will be required to have a passport valid for at least 6 months after the intended day of departure from the EU and issued within the last 10 years, before the date of arrival in the EU. They will also need a valid GHIC/EHIC. Students will not be able to travel without these documents. Visit: <https://www.gov.uk/global-health-insurance-card>
