

YEAR 12 OPTION BLOCKS – INTAKE SEPTEMBER 2026

A Level Route:

At Arthur Mellows we offer three pathways: A Levels, Vocational route or a combination of both. Vocational subjects (BTEC, AAQ's and OCR Nationals) are Level 3 qualifications which are recognised by both employers and most universities.

Students who wish to study A Level courses will need 7 GCSEs at grade 4 or above, including Maths, English Language and a minimum of 4 Grade 6s *

* Maths / English – If a student attains a Grade 3 in **ONE** of these subjects, consideration of a place will still be given.

Specific entry requirements for each subject will be stated in the prospectus

- Please select **three** A Levels you would like to study as part of your Post 16 options.
- You can only select one subject from any Option Block. If you choose a mixed route (Vocational and A Levels subjects) this rule still applies across both tables.
- If you wish to study Further Mathematics, you must also choose Mathematics.

Final courses are always subject to minimum numbers and may not run if not viable.
