

Year 11 Revision Timetable: September 2026 – May 2027

The following information details the revision organised by individual departments during the school day and after school.

This could take many forms: Individually targeted sessions aimed at certain grades, class revision or even catch-up sessions. More information will be passed to students from each subject area including staffing and rooming. Any amendments will be sent out as and when needed.

If sessions out of school hours are offered, information will be sent home with more details from subject areas. (Please bear in mind this level of support is offered each year by generous and dedicated staff offering their own time to support students.)

Information regarding mock exams and dates/timetables will be sent out by the Exams Office approaching each window.

Media/Film Studies are also running 'Drop In' support every second lunch throughout the year by arrangement.

The Late Bus to Newborough, Eye and Thorney will be available on Tuesdays all year round. The additional Tuesday late bus to Maxey, Helpston, Bainton, Barnack, Wansford, Wittering, Ailsworth and Castor will be available until May Half Term 2027.

- 1. Year 11 students **only** should sign up to the late bus, up until second lunch. At second lunch, if there are any spaces it will be first come first served for other students.*
- 2. Students **MUST** visit student reception to cross off their name if they no longer require a space on the bus. If they continually book the late bus and do not let anyone know that they are not staying or being collected, they will lose the ability to use the late bus.*
