

# Iceland 2026

Emergency numbers

**07702 798969**

**07933 604348**

Students, please put these numbers in your phone now.

# Aims of the trip

- For everyone to stay safe
- For everyone to be happy
- To learn and experience Geography

# Emergency

*“Although there’s no recent history of terrorism in Iceland, attacks cannot be ruled out.”*

- Do not wait for your teacher
- Leave your belongings
- Do what emergency services tell you – they may be very direct
- Run, Tell, Hide
- Mobile phones may not work immediately
- Please be patient and do not phone the emergency contact.

# Volcanic Eruption

- *“The Government of Iceland monitors all seismic and volcanic activity closely and infrastructure is robustly designed, but not all events can be anticipated and can pose risks to your travel plans.”*
- We will have a guide, and our tour operator will also be monitoring the situation and making necessary adjustments.

# Staying healthy

- **Drink water**
- Sleep
- **Drink water**
- Don't eat your weight in sugar
- **No** energy drinks
- **Drink water**
- If you take any non-prescription medicine, you must tell us.
- Be nice people
- **Drink water**

# Packing

- Checked luggage up to 22 kg – remember to leave space for souvenirs, and check the booklet for dimensions
- If you padlock your case only use a combination lock.
- Bring a refillable bottle of water in your main luggage (you can drink tap water)
- Waterproofs and warm clothing
- Sensible shoes
- Small cabin/day bag

# Departure
