FOOD ALLERGENS & INTOLERANCES:

Our menus and packaging clearly identify where the 14 regulated allergens are present in our dishes and products made on site. On a daily basis we prepare food using a range of ingredients where one or more of the 14 regulated allergens may be present.

Whilst robust measures are in place to prevent cross-contamination during the handling, preparation and serving of food we are unable to guarantee that all risks associated can be eliminated. We encourage all pupils who have allergies and/or intolerances to speak to our Allergen Guru or Chef / Catering Manager for more information about the allergens which may be present.

This is a nut aware school and whilst we do not use any products that contain nuts or nut derivatives within our school menus, we cannot guarantee that all of our food ingredients have been prepared in a nut free environment.
