Welcome from the Head of College

Dear Sixth Form Student

Can I welcome you to the Sixth Form at Arthur Mellows Village College.

A special welcome to those of you from other schools.

It is hoped that Sixth Form students will attend the on-line Induction Programme taking place over two days, Monday 6 July 2020 and Tuesday 7 July 2020. At the end of the two days students will:

- Feel excited by the opportunities ahead
- Realise that we care deeply about our Sixth Form students
- Understand that we will treat you differently, but more freedom brings extra responsibilities
- Realise that we will make you work hard but we will give lots of opportunities for you to develop as individuals as well as arrange a lively social programme
- Be looking forward to enrolment; which this year will be completed electronically online following GCSE Results day.
- Be prepared for your first day on Monday 7 September 2020; lessons will commence following an assembly and extended registration with your tutor.

This is a key decision in your life. I hope you will feel that Arthur Mellows Village College offers you the right pathway for the next two years in order that you achieve your potential.

Yours sincerely

M. Sandeman

M SANDEMAN
Head of College

College Structure

Although the Head of College is ultimately responsible for all that takes place on the College site, much of the day to day running of the College is delegated to other members of staff. Those taking additional responsibilities, apart from teaching, are as follows:

Senior Management Team

MR SANDEMAN

Head of College

MR OAKLEY

Deputy Headteacher

MRS SLUDDS

Assistant
Headteacher

MR STEELE

Assistant
Headteacher

MR WATSON

Assistant
Headteacher

MR CRADOCK

Support and Guidance

The Sixth Form Leadership team is made up of Ms Kavanagh (Head of Sixth Form) along with Miss Clennett, Mr Collins, Miss Stark, Mrs Jones and Mrs Barnsley. They are supported by a specialist team of Sixth Form tutors. All members of the Sixth Form team have been trained to ensure they can offer the best possible information, advice and guidance to our students. As well as supporting in academic decision and problems, they are also here to provide pastoral support. Students also have access to the whole school support mechanisms such as careers advice, counselling and pastoral guidance.

Meet the Sixth Form Team

MS KAVANAGH
Head of Sixth Form

MISS CLENNETT
Assistant Head of Sixth Form
(Maternity Leave Until Summer 2021)

MR COLLINS
Acting Assistant Head of
Sixth Form

MISS STARK
Assistant Head of Sixth Form

MRS BARNSELY
Pastoral Officer

MRS JONES
Pastoral and Attendance Officer

During the school year, there are regular points for monitoring your son/daughter's progress. This information is shared with you through reports and parents' evening. Should underachievement be identified in individual subjects, the specific department will put support mechanisms in place. If it is highlighted in a variety of areas, a member of the Sixth Form Leadership team will provide mentoring. Regular communication with parents is central to Sixth Form success.

Sixth Form Dress Code for Years 12 and 13

Purpose: For students to be dressed in smart, professional manner in preparation for the world of work. This code is in line with the world of work and reflects the calibre of students we have at the College.

- ✓ A formal tailored jacket or blazer must be worn
- ✓ A conventionally tailored business suit in black, navy or grey; plain or pinstripe. This can include a trouser suit or a skirt suit
- ✓ A smart office wear dress in black, navy or grey worn with a tailored jacket or blazer
- ✓ A formal or tailored waistcoat (optional)
- ✓ A formal collared shirt of any colour
- ✓ A blouse or collared shirt in any colour but plain in design.
- ✓ A conventional tie or bow tie (optional)
- ✓ Formal shoes or boots that are compatible with a business suit. Heels should be of a reasonable height and appropriate for school.

The following are **NOT** appropriate for Sixth Form:

- X Any form of jeans or trousers that have the characteristics of jeans
- X Leggings or trousers which are too tight or shorts
- X Any clothing with bold branding or slogans
- X Heavy knit woolly jumpers and cardigans
- X Leather or denim skirts, trousers or jackets
- X Hoodies
- X Non formal boots, trainers, flip flops or any other casual footwear including canvas shoes
- X Anything that would be regarded as too revealing
- X Leisure style/T-shirt material or a strappy top
- X Extreme hair styles or unnatural colours
- X Facial piercings other than a discreet nose stud.

Enforcement:

	Student will be asked to remove the incorrect piece of uniform where possible which would be confiscated for the remainder of the day.
	Spoken to by Sixth Form tutor and SIMS email sent to parents/carers
	Spoken to by Sixth Form Leadership team, Gold or Silver card privileges removed.
	Ultimately if the student continues to flout the uniform rules which are part of the College expectations, student will be formally asked to leave the College.

Students will be asked to remove the incorrect piece of uniform where possible, which would be confiscated for the remainder of the day. If this cannot be facilitated, students will spend the day in isolation or asked to return home to change. This will be with parental permission and the assurance that the student can return to College to resume normal lessons.

RESULTS DAY – THURSDAY 20 AUGUST 2020

What happens if you do not get the results you were expecting?

DO NOT PANIC! For a start we offer a range of courses and will be as flexible as possible in accommodating your new situation. Remember there will be a course for you somewhere, it's not the end of the world.

If you wish to change the course(s) you want to study you must see one of the Sixth Form team once you have received your results by booking an appointment.

SURGERY DAYS - THURSDAY 20 AUGUST (10.00 AM TO 4.00 PM) AND FRIDAY 21 AUGUST 2020 (8.30 AM TO 4.00 PM) - APPOINTMENT ONLY.

Alternatively contact sixthform@arthurmellows.org to arrange a phone call with a member of the team.

PROCEDURE FOR ENROLMENT

All students are required to formally accept their place at AMVC Sixth Form. Enrolment will take place electronically via the College website; we will send you a link to this nearer the time.

This is a simple procedure to confirm your place and subject choices. The system is live between Thursday 20 August 2020 and midnight Thursday 27 August 2020.

TERM COMMENCES ON MONDAY 7 SEPTEMBER 2020

On Monday 7 September 2020 remember to bring with you to registration your:

- ✓ A copy of your GCSE results
- ✓ Birth Certificate – (full version) if you have not already done so.

Towards the end of the Autumn Term you will be asked to complete a Sixth Form Learning Agreement.

The College Day

	Start	End
Registration	8.45 am	9.00 am
Lesson 1	9.00 am	9.50 am
Lesson 2	9.50 am	10.40 am
Break	10.40 am	10.55 am
Lesson 3	10.55 am	11.45 am
Lesson 4	11.45 am	12.35 pm
Lunch	12.35 pm	1.25 pm
Lesson 5	1.25 pm	2.15 pm
Lesson 6	2.15 pm	3.05 pm

Important Dates and Events for the 2020/21 academic year

AUTUMN TERM 2020	
Sixth Form Enrolment	Thursday 20 August 2020 to Thursday 27 August 2020 (on-line)
Term opens for Sixth Form	Monday 7 September 2020
Training Day – October	Friday 16 October 2020
Half Term	Monday 26 October 2020 to Friday 30 October 2020
Ends	Friday 18 December 2020
SPRING TERM 2021	
Opens	Monday 4 January 2021
Half Term	Monday 15 February 2021 to Friday 19 February 2021
Ends	Friday 26 March 2021
SUMMER TERM 2021	
Opens	Tuesday 13 April 2021
May Day	Monday 3 May 2021
Half Term	Monday 31 May 2021 to Friday 4 June 2021
Ends	Friday 22 July 2021

Facilities

Arthur Mellows boasts outstanding facilities. Teaching spaces are of a high standard and each subject area has access to state of the art, specialist equipment that will enhance post 16 studies. The bespoke facilities provided for our Sixth Form include:

- Three Sixth Form only ICT suites
- Sixth Form Study and Reference Room
- Sixth Form Coffee Lounge

Students also have special access to areas in specific departments, for example Sixth Form art base and the Fitness Suite.

Sixth Form Curriculum

In Year 12, students will follow a curriculum that consists:

- Core subjects (A Levels and Vocationals)
- Enrichment
- Leadership
- Professional Development
- Quiet Study

This curriculum has been developed over a number of years to give students the best opportunities when applying for university or entering the world of work. It has been tailored to ensure each student has the best possible chance of success in their studies.

Core Subjects

The majority of students will study 3 core subjects (or equivalent) and we have considered the subject courses carefully in order to provide a curriculum that will meet the needs of your son/daughter. We aim to ensure each student can access their particular selection of subject choices by offering a range of A Levels and Vocational subjects. Your son/daughter will have selected from the following subject areas:

A Level subjects

<ul style="list-style-type: none"> • Fine Art • Biology • Business Studies • Chemistry • Computer Science • Drama and Theatre • Economics • English Language • English Literature • English – Combined • Film Studies • French 	<ul style="list-style-type: none"> • Geography • History • Mathematics • Further Mathematics • Politics • Physical Education • Physics • Psychology • Product Design • RE - Philosophy and Ethics • Sociology
--	--

Vocational Level 3 Nationals Subjects

<ul style="list-style-type: none"> • Applied Science • Business Studies • Digital Media • Engineering 	<ul style="list-style-type: none"> • Health and Social Care • ICT • Music Performance • Sport • Travel and Tourism
---	---

Each core subject has 12 timetabled lessons a cycle, with an expectation that students undertake private study for each subject, every week. Individual subject expectations, quiet study and homework are outlined in the specific subject. Due to the volume of work students will produce over the course of their studies, we recommend that a lever-arch folder is purchased for each subject, where students will keep the majority of their work. We anticipate the assessment folder will be used for work produced during that half term.

Enrichment

Enrichment allows students to pick a further area of study, often away from the traditional subject areas and all developing essential skills. Most options lead to a nationally recognised qualification, with some generating UCAS points. The choices include:

- Level 2 Sports Leadership Award – CSLA (which can lead to a HIGHER SLA in Year 13)
- Extended Project Qualification – EPQ
- Mentoring
- Sixth Form Student Newspaper
- St Johns Ambulance – First Aid Training
- Young Enterprise
- Managing Your Monday
- National Literacy Ambassador

As students are timetabled a maximum of 3 Enrichment lessons per 2 week cycle, there is an expectation to complete independent study outside of these lessons. Full details of these courses are outlined in the specific pages later in this book.

Leadership

The purpose of this compulsory element of Year 12 is to show leadership skills along with initiative, integrity, reliability and punctuality. It offers opportunities for students within and out of school. For many, it will help develop and improve self-confidence, communication and organisational skills, all of which are extremely important in any young person. Students complete a minimum of 30 hours. Students can volunteer to help in school, for example supporting teachers in lessons or through our paired reading scheme. Outside of school are countless opportunities including: playgroups, hospital volunteers and charity work.

Professional Development

The Professional Development programme has been developed to equip your son/daughter for Sixth Form life such as learning new study skills as well as covering a number of themes that will ensure personal development. The focus then moves to preparing students for life after Sixth Form and we provide extensive and individual support whether your son/daughter chooses further education or to seek employment. The programme consists of:

- Personal Development
- Professional Studies
- Preparation for Employment
- Preparation for University

Personal Development

This is a series of speakers developed around their needs and current and topical themes. We take regular input from Sixth Form students to ensure we invite speakers they believe to be relevant and introduce new areas. The topics covered include driving awareness, safety, finance and budgeting, GAP year options and mental and sexual health.

Professional Studies

The leap from GCSE to A Level can be daunting and overwhelming for some students, particularly with the strong ethos of independent study in our Sixth Form. In Year 12, students embark upon the Professional Studies programme to develop skills and support students in becoming a successful Sixth Form student and skills that are essential throughout their professional life. Students will attend cross curricular and interactive sessions led by their tutors developing study skills which are essential in making students more confident, independent and productive. These include essay writing, referencing, examination technique and time management among others.

Preparation for life after Sixth Form covers a variety of key career planning issues such as:

- Understanding the current labour market and the necessity for thorough career planning.
- Exploring career options available, including higher/further education, apprenticeships, work with training and employment.
- Finance and budgeting.
- Interview skills.
- Introduction to UCAS and research websites.

Students are also given opportunities to use software programmes that offer suggestions to suitable careers on the basis of their academic ability and aptitudes. They can also research these careers and opportunities.

In the Summer term we host a 2 day careers festival giving student's detailed information about their next big step.

In Year 13 the programme is divided into 2 groups "Preparation for Employment" and "Preparation for University", ensuring all students leave Arthur Mellows ready to embark upon further study or a successful career.

Preparation for Employment

Students who decide against a university route join the Year 13 'Preparation for Employment' team to seek work and apprenticeships. To ensure these students are prepared for the demanding world of work we deliver a Professional Development Programme developing CV's, letters of application, interview preparation and techniques. We develop students' employability skills such as communication, team working and leadership through interactive Professional Development sessions and collapsed days; we have a strong track record of placing students with appropriate employers. In collaboration with Peterborough Skills Service, we work with local employers to ensure Arthur Mellows Village College students are prepared for their journey into the job market with a variety of placements with specialist apprenticeship providers and local companies.

Preparation for University

Students who have decided to embark on the University route will use Personal Development lessons to complete their UCAS application and personal statement. Students have lessons with their Form Tutors so this allows for one to one guidance on the personal statement. Form Tutors will also act as their referee, so these sessions allow tutors to learn more about students' wider interests ensuring a personal touch to the reference. Once applications are complete, we hold practical sessions to prepare students for university life, such as academic skills, student finance and cooking on a budget.

Silent Study

All students throughout their Sixth Form at Arthur Mellows Village College will have timetabled lessons of quiet study. Your son/daughter will work in designated rooms which are supervised by staff. All subjects will set specific work for these timetabled lessons (separate from homework), whether it is desk or ICT based. This will enhance the student's understanding of their curriculum and have a positive impact upon their examination results. Please note, these lessons are compulsory.

Wider Curriculum

In Sixth Form there are many extra-curricular activities available to students. The Duke of Edinburgh Award continues, with students able to take part in the silver and gold qualifications. A range of indoor and outdoor sports are available during the week, along with the opportunity to take part in inter-form and inter-school competitions. Students can also study for their Community and Higher Sports Leader Awards.

Social activities are arranged, such as Sixth Form parties, day trips and the Sixth Form Prom. Students are encouraged to take part in the many fundraising events, organised for both local and national charities.

Sixth Form Committee

The Sixth Form Committee is a dynamic and vibrant organisation. It allows for real leadership opportunities for our students, as well as being a creative force for good in the school and wider community. The committee plays an important role in maintaining the Sixth Form's designated environment within school and they meet regularly to discuss issues and events. Committee members will be present at some Governors' Meetings and also play an important role in the School Council. The Committee is led by the Head Girl, Head Boy and Deputies with representatives who have responsibility for the following areas:

- Secretary/Treasurer
- Charity
- Events and Social
- Creative Arts
- Politics
- Social Spaces
- Sports
- Lower School Liaison
- Unity

During the spring term of Year 12, students can be nominated for a position on the Sixth Form Committee. An application and interview process will take place, before the new committee commences in June.

Card System

All students are given a silver pass card which allows them to have extra freedoms. This means that students can leave during break and lunchtimes, but they must return to site on time. Year 12 students should be on site at all other times. Should a student not meet the standards expected in Sixth Form, they will lose the card and the privileges it brings, for example:

- Poor attendance
- Failure to meet deadlines
- Lateness to school/lessons
- Missing lessons
- Failure to follow dress code
- Poor behaviour

Should students prove to be exemplar students throughout Year 12 (attendance and punctuality this includes completing leadership and enrichment) they will be given their gold card. This allows students to also leave site during their free lessons and go home after the last lesson of the day. Students are still expected to attend registration every day and meet expected standards. Please note, if students have forgotten their cards they will not be able to leave site.

Sixth Form Email

All Sixth Form have a school personal email account. This allows students to contact each other about subjects and any group work they may be partaking in, plus provides an essential form of communication between themselves and their Form Tutor. The email system can be accessed whilst in school using the student intranet or from home via the AMVC website. Each student should use their current network password and their address will be:

<network username>@arthurmellows.net

This will allow access to Office 365 from the website which enables students to use Word and Excel with all work saved on the College Cloud. This should remove compatibility issues and lost work.

Part-Time Employment

We acknowledge experiences outside of school can be useful in developing skills as well as providing essential income for areas such as driving lessons and saving for university. However, the main focus of Sixth Form must be to gain the best possible A Level grades. Some students do take on more hours in their part-time job than they can reasonably cope with. We recommend no more than 12 hours a week, but it is important to be aware of what research shows:

“Sixth formers who spent more than 5 hours a week in jobs did less well than expected. Students who worked for more than 15 hours were the worst affected, dropping an equivalent of falling from an expected BBB to CCD.” Source: Times Educational Supplement

General Expectations

- Have a positive attitude in all aspects of Sixth Form life
- Be an active learner, taking all opportunities offered
- Act as a role model to all younger students
- Utilise study periods effectively
- Meet deadlines
- Use Sixth Form diary to ensure an organised approach to study
- Attendance is compulsory; all students attend school from 8.45 am to 3.05 pm.
- Follow dress code, upholding the Arthur Mellows Village College standards at all times
- Ensure part-time employment does not impact upon studies.

Sixth Form Attendance Guidance

Registration: Students should be in College for 8.45 am daily, after this time students will be marked late.

All Sixth Form students are expected to attend their Form Group registration each day and Assembly which is held weekly.

Absence: If your son/daughter is going to be absent from College for reasons other than sickness then we require you to fill out a Leave of Absence form which can be obtained from Student Reception.

In accordance with the College's absence policy **no holiday** will be authorised for Sixth Form students.

University Visits: Please can Parents/Carers send a note in advance, to the Form Tutor, stating the date and place of the visit. We will authorise up to a maximum of 3 days, most Universities hold Open Days on weekends and we would expect your son/daughter to choose those where possible.

It is very important for Sixth Form students to aim to have a high attendance level. The College will be asked to provide this information for future employees and Universities.

Sixth Form outcomes are negatively affected by poor attendance levels.

Orthodontist/Dental/Medical Appointments: We would prefer all medical appointments to be arranged outside of College hours, however, if this is not possible we require all students to follow the protocol below:

If a student arrives late or needs to leave the College early we require the Parent/Carer to write a signed note, which must then be countersigned by their Form Tutor. Before the student is allowed to leave the site he/she must show this note, plus signatures, to Student Reception.

If a student feels unwell at college or needs to leave early: If a student feels unwell at College and needs to leave early, they can either visit the First Aid room or they will be required to get permission from Mrs Jones, Mrs Barnsley, or Ms Kavanagh before signing out at Student Reception.

How to contact the College

- Telephone number: 01733 252235
- Email: office@arthurmellows.org
- Email to Sixth Form directly: sixthform@arthurmellows.org
- Website: www.arthurmellows.org

If your enquiry is **lesson/subject based**, please ask for the appropriate **Head of Faculty/Department**.

If they are not available a message will be taken and the appropriate member of staff will contact you as soon as they are able to do so.

Reporting Student Absence: In the first instance parents should contact the College via the dedicated student absence email address:

- **absence@arthurmellows.org**

advising us of the following information:

- ✓ Date of absence
- ✓ Student name
- ✓ Tutor Group
- ✓ Your name
- ✓ Your relationship with the student
- ✓ Reason for absence

Mobile Phone Protocol

Students will inevitably have mobile phones in their possession whilst they are in College. The protocol for their use is detailed below.

Students are reminded that they are only allowed to bring their mobile phone into College in accordance with the following rules:

1. Mobile phones must be switched off and out of sight in all lessons unless at the specific direction of the teacher.
2. Phones can be used both inside and outside of the College, before school, during breaktimes, lunchtimes, and non-contact time.
3. Texting, making and receiving calls and listening to music are only acceptable before school, and during breaktimes and lunchtimes.
4. The camera, video and voice recording facilities **cannot** be used in the College at any time.
5. Students bring their mobile phone to College at their own risk.
6. Students must not text or phone parents asking them to be collected from College during the day. The College will contact parents if students are required to be collected.
7. Students who break any of the above rules will have their phones removed, stored securely and the normal pastoral systems will take over.

Notification of Intention to Process Students' Biometric Information

Arthur Mellows Village College wishes to use information about your child as part of an automated (ie electronically-operated) recognition system. This is for the purposes of accessing cashless catering facilities, books from the Library and Music Department. The information from your child that we wish to use is referred to as 'biometric information' (see next paragraph). Under the Protection of Freedoms Act 2012 (sections 26 to 28), we are required to notify each parent of a child and obtain the written consent of at least one parent (*Years 7 and 8 – parental signature only required / Years 9, 10 and 11 – parent and student signature required / Sixth Form – student signature only required*) before being able to use a child's biometric information for an automated system.

Biometric information and how it will be used

Biometric information is information about a person's physical or behavioural characteristics that can be used to identify them, for example, information from their fingerprint. The College would like to take and use information from your child's fingerprint and use this information for the purpose of providing your child with access to our cashless catering service, Library and Music facilities.

The information will be used as part of an automated biometric recognition system. This system will take measurements of your child's fingerprint and convert these measurements into a template to be stored on the system. An image of your child's fingerprint is not stored. The template (ie measurements taking from your child's fingerprint) is what will be used to permit your child to access services.

You should note that the law places specific requirements on schools and colleges when using personal information, such as biometric information, about students for the purposes of an automated biometric recognition system.

For example:

- a) the school/college cannot use the information for any purpose other than those for which it was originally obtained and made known to the parent(s) (ie as stated above);
- b) the school/college must ensure that the information is stored securely;
- c) the school/college must tell you what it intends to do with the information;
- d) unless the law allows it, the school/college cannot disclose personal information to another person/body – you should note that the only person/body that the school/college wishes to share the information with is the provider of our biometric system. This is necessary for operational reasons.

Providing your consent/objecting

As stated above, in order to be able to use your child's biometric information, the written consent of at least one parent is required (*Years 7 and 8 – parental signature only required / Years 9, 10 and 11 – parent and student signature required / Sixth Form – student signature only required*). However, consent given by one parent will be overridden if the other parent objects in writing to the use of their child's biometric information. Similarly, if your child objects to this, the College cannot collect or use his/her biometric information for inclusion on the automated recognition system.

You can also object to the proposed processing of your child's biometric information at a later stage or withdraw any consent you have previously given. This means that, if you give consent but later change your mind, you can withdraw this consent. Please note that any consent, withdrawal of consent or objection from a parent must be in writing.

Even if you have consented, your child can object or refuse at any time to their biometric information being taken/used. The child's objection does not need to be in writing. We would appreciate it if you could discuss this with your child and explain to them that they can object to this if they wish. The College is also happy to answer any questions you or your child may have.

If you do not wish your child's biometric information to be processed by the College, or your child objects to such processing, the law says that we must provide reasonable alternative arrangements for children who are not going to use the automated system to access catering, Library and Music facilities.

If you give consent to the processing of your child's biometric information, please indicate this on the consent form on the enclosed Admission paperwork.

Please note that when your child leaves the College, or if for some other reason he/she ceases to use the biometric system, his/her biometric data will be securely deleted.

Further information and guidance

This can be found via the following links:

Four Cs Multi-Academy Trust

PRIVACY NOTICE – LEARNERS (How we use learner information)

The Four Cs Multi-Academy Trust (MAT) is the data controller for the purposes of the General Data Protection Regulations. The Trust and its schools collect information from you and may receive information about you from your previous school and the Learning Records Service.

Privacy Notice (How we use pupil information)

The categories of pupil information that we collect, hold and share include:

- Personal information (such as name, unique pupil number and address)
- Characteristics (such as ethnicity, language, nationality, country of birth and free school meal eligibility)
- Attendance information (such as sessions attended, number of absences and absence reasons)
- Relevant medical information
- Assessment information
- Special Needs information
- Behaviour and Exclusion information
- Post 16 Learning information

If students are enrolled for post 14 qualifications, the Trust and its schools will be provided with your unique learner number (ULN) by the Learning Records Service and may also obtain from them details of any learning or qualifications you have undertaken.

Why we collect and use this information

We use the student data:

- to get in touch with you and parents/carers when we need to
- to support pupil learning (which could include the use of appropriate websites and applications)
- to monitor and report on pupil progress
- to provide appropriate pastoral care and wellbeing
- to assess the quality of our services
- assess how well the Trust and its schools are doing
- to comply with the law regarding data sharing

The lawful basis on which we use this information

We will only collect and use your information when the law allows us to. Most often, we will use your information where:

- we need to comply with the law
- we need to use it to carry out a task in the public interest (in order to provide you with an education)

Sometimes, we may also use your personal information where:

- pupils or parents/carers have given us permission to use it in a certain way
- we need to protect your interests (or someone else's interest)

Where we have got permission to use your data, pupils or parents/carers may withdraw this at any time. We will make this clear when we ask for permission, and explain how to go about withdrawing consent.

Some of the reasons listed above for collecting and using your information overlap, and there may be several grounds which mean we can use your information.

Collecting pupil information

Whilst the majority of pupil information you provide to us is mandatory, some of it is provided to us on a voluntary basis. In order to comply with the General Data Protection Regulation, we will inform you whether you are required to provide certain pupil information to us or if you have a choice in this.

Storing pupil data

We hold pupil data for no longer than is necessary for the purpose or purposes it was collected. Reasonable steps will be taken to destroy, or erase from the systems, all data which is no longer required.

Who we share pupil information with

Where it is legally required, or necessary for another reason allowed under data protection law, we may share personal information about you with:

- our Local Authority – to meet our legal duties to share certain information with it, such as concerns about pupils' safety and exclusions
- the Department for Education (a government department)
- your family and representatives
- educators and examining bodies
- our regulator (the organisation or 'watchdog' that supervises us), eg Ofsted
- Suppliers and service providers – so that they can provide the services we have contracted them for
- financial organisations
- central and local government
- our auditors
- health authorities
- health and social welfare organisations
- police forces, courts, tribunals

Why we share pupil information

We do not share information about our pupils with anyone without consent unless the law and our policies allow us to do so.

We share pupils' data with the Department for Education (DfE) on a statutory basis. This data sharing underpins school funding and educational attainment policy and monitoring.

We are required to share information about our pupils with the (DfE) under regulation 5 of The Education (Information About Individual Pupils) (England) Regulations 2013.

Data collection requirements:

To find out more about the data collection requirements placed on us by the Department for Education (for example; via the school census) go to <https://www.gov.uk/education/data-collection-and-censuses-for-schools>.

Youth support servicesPupils aged 13+

Once our pupils reach the age of 13, we also pass pupil information to our Local Authority and / or provider of youth support services as they have responsibilities in relation to the education or training of 13-19 year olds under section 507B of the Education Act 1996.

This enables them to provide services as follows:

- youth support services
- careers advisers
- NHS and health agencies

A parent or guardian can request that **only** their child's name, address and date of birth is passed to their local authority or provider of youth support services by informing us. This right is transferred to the child / pupil once he/she reaches the age 16.

Pupils aged 16+

We will also share certain information about pupils aged 16+ with our local authority and / or provider of youth support services as they have responsibilities in relation to the education or training of 13-19 year olds under section 507B of the Education Act 1996.

This enables them to provide services as follows:

- post-16 education and training providers
- youth support services
- careers advisers

For more information about services for young people, please visit our local authority website.

The National Pupil Database (NPD)

The NPD is owned and managed by the Department for Education and contains information about pupils in schools in England. It provides invaluable evidence on educational performance to inform independent research, as well as studies commissioned by the Department. It is held in electronic format for statistical purposes. This information is securely collected from a range of sources including schools, local authorities and awarding bodies.

We are required by law, to provide information about our pupils to the DfE as part of statutory data collections such as the school census and early years' census. Some of this information is then stored in the NPD. The law that allows this is the Education (Information About Individual Pupils) (England) Regulations 2013.

To find out more about the NPD, go to <https://www.gov.uk/government/publications/national-pupil-database-user-guide-and-supporting-information>.

The department may share information about our pupils from the NPD with third parties who promote the education or well-being of children in England by:

- conducting research or analysis
- producing statistics
- providing information, advice or guidance

The Department has robust processes in place to ensure the confidentiality of our data is maintained and there are stringent controls in place regarding access and use of the data. Decisions on whether DfE releases data to third parties are subject to a strict approval process and based on a detailed assessment of:

- who is requesting the data
- the purpose for which it is required
- the level and sensitivity of data requested: and
- the arrangements in place to store and handle the data

To be granted access to pupil information, organisations must comply with strict terms and conditions covering the confidentiality and handling of the data, security arrangements and retention and use of the data.

For more information about the department's data sharing process, please visit: <https://www.gov.uk/data-protection-how-we-collect-and-share-research-data>

For information about which organisations the department has provided pupil information, (and for which project), please visit the following website:

<https://www.gov.uk/government/publications/national-pupil-database-requests-received>

To contact DfE: <https://www.gov.uk/contact-dfe>

Requesting access to your personal data

Under data protection legislation, parents/carers and pupils have the right to request access to information about them that we hold. To make a request for your personal information, or be given access to your child's educational record, contact the Four Cs MAT Data Protection Officer, based at the Head Office c/o Arthur Mellows Village College, Helpston Road, Glinton, Peterborough, PE6 7JX.

You also have the right to:

- object to processing of personal data that is likely to cause, or is causing, damage or distress
- prevent processing for the purpose of direct marketing
- object to decisions being taken by automated means
- in certain circumstances, have inaccurate personal data rectified, blocked, erased or destroyed; and
- claim compensation for damages caused by a breach of the Data Protection regulations

If you have a concern about the way we are collecting or using your personal data, we request that you raise your concern with us in the first instance. Alternatively, you can contact the Information Commissioner's Office at <https://ico.org.uk/concerns/>

16-19 BURSARY FUND 2020/21- FINANCIAL SUPPORT FOR STUDENTS

The following information applies to Sixth Form students (aged 16 to 18 on 31 August 2020 taking a full-time further education course in 2020/21).

A key priority for the Government is to close the gap in attainment between those from less well-off and more affluent backgrounds, and to ensure every young person participates in and benefits from a place in 16 to 19 education or training.

The College is responsible for awarding bursaries to students. If your application is successful, you could receive a contribution to help with costs such as:

- **Transport (essential)**
- **Clothing (as described in the Sixth Form Dress Code)**
- **Materials and equipment required for your course**
- **Meals at College**
- **Compulsory educational visits**
- **Other approved expenses**

Please see policy for more details

There are two 16-19 Bursary Funds:

16-19 Bursary Fund - Vulnerable Awards

The Government has announced that some students will be entitled to a bursary of £1200. You could get this if you are in one of the following categories:

- Those in care, including those placed with a foster carer by the local authority
- Care leavers
- Young People in receipt of Income Support or Universal Credit
- Young people who are in receipt of Disability Living Allowance or Personal Independence Payments

16-19 Bursary Fund - Discretionary Awards

Is your household income less than £35,000 a year, or have you been eligible for Free School Meals at any time during your secondary school education? If so, you could get financial support.

If you think you are eligible for either bursary, please complete the application form and Income Declaration form, providing proof of any benefits and household income.

The 16-19 Bursary Policy 2020/21 and application form is available on the College's website, from the Finance office or Sixth Form office.

Applications will be assessed in September and entitlement advised by early October 2020
